SUBJECT : **INVITATION TO THE 14TH BIENNIAL INTERNATIONAL
CONFERENCE**

DATE : 06 September 2023

The **Philippine Council of Mathematics Teacher Educators (MATHTED), Inc.** will hold the **14TH Biennial International Conference** with the theme **“Future-Proofing Mathematics Education: Meeting Challenges and Optimizing Opportunities.”** The event will be held **on October 19-21, 2023, at Iloilo City.** This conference marks the first time in four years that MATHTED has held a face-to-face conference.

Mathematics Educators affiliated with the Department of Education may opt to attend the said activity provided that their participation will not hamper the conduct of classes in schools. The use of DepEd funds shall be subject to the approval of their respective approving authorities. The same is also contingent upon its availability, and adherence to the usual accounting and auditing rules and regulations.

Should you have further inquiries, please email the Secretariat at mathtedconferences@gmail.com.

July 20, 2023

MARIBEL P. CABASAL
Officer-in-charge
Public Affairs Service - Publication Office
Department of Education

Dear Ms. Cabasal,

Warm greetings!

The Philippine Council of Mathematics Teacher Educators (MATHTED), Inc., together with West Visayas State University and Philippine Science High School Western Visayas Campus are organizing the **14th Biennial International Conference** with the theme **"Future-Proofing Mathematics Education: Meeting Challenges and Optimizing Opportunities,"** which will be held on October 19-21, 2023 at Iloilo City. The conference marks the first time in four years that MATHTED has held a face-to-face conference.

The objective of the conference is to provide a forum for mathematics educators from all over the country and beyond to come together and discuss their research, exchange ideas and build networks for professional growth and development. Specifically, this year's gathering will focus discussions on addressing challenges in mathematics education (e.g. learning loss, poor performance in international large scale assessment, in keeping up the pace with the advent of technology, globalization) and maximizing the opportunities these bring. Thus, the need to prepare our teachers in the contemporary classrooms that are characterized as volatile, uncertain, complex and possibly ambiguous.

The conference will feature four renowned experts on the topic as guest speakers: Frederick K.S. Leung, Ph.D., Po-Shen Lo, Ph.D., Carlene P. Pilar-Arceo, Ph.D., and Tin Lam Toh, Ph.D.

We would appreciate your benevolent support for our conference, which will undoubtedly take it to greater heights and strengthen both our agencies' linkages and collaboration. The organizers hope that this knowledge-sharing platform will contribute to all participants' professional growth as they engage in intellectual exchange.

In line with this, we are applying for DepEd Advisory for participation in this important undertaking. We would appreciate your benevolent support for our conference, which will undoubtedly take mathematics education to greater heights and strengthen both our agencies' linkages and collaboration. The organizers hope that this knowledge-sharing platform will contribute to all participants' professional growth as they engage in intellectual exchange.

Should you have any concern or for more details of this program, please message us using our contact details below.

Thank you and more power!

Sincerely,

MINIE ROSE C. LAPINID, Ph.D.
Chair, 14th Biennial International Conference

MATHTED PROFILE

The Philippine Council of Mathematics Teacher Educators (MATHTED) is an academic, non-stock, non-profit and non-sectarian organization which pursues the advancement of mathematics education in the country.

Specifically, it aims to:

- *Provide leadership in improving the quality of mathematics teacher education;*
- *Promote research that will address relevant issues in mathematics education;*
- *Facilitate the exchange of information about current research work and teaching methods among mathematics teacher educators;*
- *Encourage and foster collaboration with members of other recognized mathematical, scientific, and educational institutions.*
- *Sponsor mathematics education symposia, meetings, conferences, tours and other professional activities.*

MATHTED is governed by a National Board of Directors with its set of officers which shall manage its affairs and businesses. It consists of eleven (11) members who are elected by written ballot by members of good standing.

Conference Objectives, Learning and Development Plan

The conference aims to:

1. update mathematics educators and specialists on the current trends and issues concerning mathematics education and research;
2. identify appropriate and effective teaching and research approaches that can be utilized in the mathematics classroom for students at different levels;
3. help strengthen the commitment of mathematics educators in promoting understanding, interest, and appreciation of mathematics;
4. serve as a venue for mathematics teachers, teacher educators, and researchers to work together and share their knowledge in teaching approaches and researches that could contribute to an improved mathematics education in the country and throughout the world; and
5. inform mathematics teachers and researchers about current pedagogical innovations and curricular issues, and how these can affect their teaching and research activities.

Learning and Development Plan of Continuous Programs, Projects, and Activities for the Participants

Period	Activity	Description
October 22, 2023 onwards	Ongoing active Communication Channels	MATHTED has maintained its website at www.mathted.weebly.com and its Facebook page www.facebook.com/mathted/ as communication channels for its members and conference participants. They may directly contact us regarding post-conference matters and concerns at mathtedconferences@gmail.com , membership concerns at mathted1996@gmail.com . These are constantly being checked and monitored.
November 2023	Analyze Participants' Evaluation of the Conference	Participants' evaluation of the conference will provide insights as to how future conferences could be improved. It is also a way by which they could express their issues, concerns, and necessary support for their professional growth and development.
December 2023 to June 2024	Intersection	Intersection is MATHTED's official peer-reviewed journal. It aims to provide a forum for research and discussion in mathematics education in its myriad forms, including studies on psychology, sociology, linguistics, history, computer science, philosophy and so forth. Conference participants are welcome to submit research articles that were presented in the 14 th Biennial MATHTED conference for publication in the first issue of the 2024 publication. It publishes two issues per year with 4-5 articles each issue. The research articles are readily available and accessible through MATHTED's website.
November 2023 onwards	Graduate Studies Support	MATHTED members are teacher educators coming from both private and state universities. As such members can establish strong linkages to different educational institutions through

		research and graduate degree programs for graduate studies support and any forms of professional growth and development.
October 2025	15 th Biennial MATHTED Conference	Holding conferences biennially is one way to sustain active engagement in pursuit of excellence and continuous professional growth and development in mathematics education. The conference has been a venue for mathematics educators to gather together to discuss their research, exchange ideas and build networks and professional learning communities through the ff. activities: parallel paper presentations, poster presentations, workshops, special interest group focus discussions, and panel discussions.
